

Lines of symmetry

- 1
- Cut out the shapes below.
Can you fold these shapes to make a vertical line of symmetry?
Draw your results in the table below.

No vertical line of symmetry

Vertical line of symmetry

Lines of symmetry

1 Draw a vertical line of symmetry on each of the shapes below.

2 Tick (✓) the shapes that show a correct line of symmetry.

3 Colour the shapes that have a vertical line of symmetry and draw the line.

Lines of symmetry

- 1
- Cut out the shapes below.
Can you fold these shapes to make a vertical line of symmetry?
Draw your results in the table below.

No vertical line of symmetry

Vertical line of symmetry

Lines of symmetry

- 1 Draw a vertical line of symmetry on each of the shapes below.

- 2 Tick (✓) the shapes that do not show a correct line of symmetry.

- 3 Colour the shapes that have a vertical line of symmetry and draw the line.

Lines of symmetry

- 1 Cut out the shapes below.
Can you fold these shapes to make a vertical line of symmetry?
Draw your results in the table below.

No vertical line of symmetry

Vertical line of symmetry

Lines of symmetry

1 Draw all the lines of symmetry you can see on the shapes below.

2 Draw your own shapes to complete the table.

No symmetry	One line of symmetry	More than one line of symmetry

Answers

To avoid wasting paper & ink,
please do not print this page.

Lines of symmetry

- 1 Cut out the shapes below.
Can you fold these shapes to make a vertical line of symmetry?
Draw your results in the table below.

No vertical line of symmetry

Vertical line of symmetry

Lines of symmetry

1 Draw a vertical line of symmetry on each of the shapes below.

2 Tick (✓) the shapes that show a correct line of symmetry.

3 Colour the shapes that have a vertical line of symmetry and draw the line.

No vertical line of symmetry

Vertical line of symmetry

Lines of symmetry

1 Draw all the lines of symmetry you can see on the shapes below.

2 Draw your own shapes to complete the table.

No symmetry	One line of symmetry	More than one line of symmetry

Children will draw different shapes under the correct headings with the correct number of lines of symmetry.
