

Weekly Plan for Year R

Week beginning 4th May 2020

Monday	Tuesday	Wednesday	Thursday	Friday- VE Day Bank Holiday
Phonics: Letters and Sounds at Home Lesson 1 https://www.youtube.com/watch?v=siVkXoEQDNc	Phonics: Letters and Sounds at Home Lesson 2 https://www.youtube.com/watch?v=hBFFUCraDt8	Phonics: Letters and Sounds at Home Lesson 3 https://www.youtube.com/watch?v=7anrdHnwGbs	Phonics: Letters and Sounds at Home Lesson 4 https://www.youtube.com/watch?v=rrGadCz2A1o	VE Day Activities: Here is a selection of activities you may wish to complete to celebrate the 75 th anniversary of VE Day. Make Union Jack bunting Cook a dish from the Wartime Recipe Book Design a Medal VE Day Colouring Pretend to have a street party Spitfire planes to colour and make If you would like to take a photo of you celebrating VE Day, please send it to Miss Pitman and we shall add it to the School Website!
Handwriting: We use this time to practice any letters that we find tricky to form correctly (you can tailor this to your child). Maybe you could practise writing your tricky words. Please see the handwriting PowerPoint on how to form each letter of the alphabet. Remember to start on the line with a ready to write. If your writing is going well why don't you try joining up your writing!				
Literacy: To learn about a past event Watch the video clip https://www.youtube.com/watch?v=Ndoj2dgDeHU Talk to your child about why VE day was celebrate- to mark the end of the 2 nd World War and that this year marks the 75 th Anniversary of VE Day. During the video talk to your child about what the people are doing, having street parties, playing games. How do you think the people feel? What do you think they are eating? What would you like to each at a street party?	Literacy: To write about a picture. Recap what you spoke about previously in regard to VE day. Using the photo, in Tuesday's folder, write about the picture. What can you see in the picture? How are the people feeling? What are the children wearing? Remember to use capital letters, fingers spaces and full stops. Use your robot arms to help you sound out each word. Extension: Can you use a conjunction to join your ideas. For example I think the children are happy because they are smiling.	Maths: To share into equal groups Starter: Ask your child what does sharing mean and why is important to share. Activity: Watch the Sharing into Groups video. Talk about how each child gets an equally amount. To ensure you get an equal amount share the objects one at a time. Work through each question at the end of the video with your child, explain that the first number is how many objects you need and the second one is how many groups you are sharing between. Once all objects have been shared reinforce that each group needs to have the same number of objects. You could use pencils and share them between soft toys, or you could draw the number of circle needed and share lego. Extension Activity: How many different ways can you share the number 12?	Maths: To share into equal groups Starter: Re-watch the Sharing into Groups video and recap what we learnt in the previous lesson. Activity: Using toys and resources you have at home work out these questions: What is 10 shared between 2? What is 15 shared between 3? What is 16 shared between 4? What is 20 shared between 5? What is 5 shared between 5? Extension Activity: How many different ways can you share the number 20?
