If you don't want to sing the whole song, you can always just sing a verse or course, or even just dance or wave to the music.	Show and Tell: Show somebody your free-choice activity and talk about what you have done. You could record a video and send to a family member or Miss Pitman.

Handwriting:

We use this time to practice any letters that we find tricky to form correctly (you can tailor this to your child). Maybe you could practise writing your tricky words. Please see the handwriting PowerPoint on how to form each letter of the alphabet. Remember to start on the line with a ready to write.

[If your writing is going well why don't you try joining up your writing!](#)
