

Look carefully at the pairs of shapes and think about their properties.

What's the same? What's different?

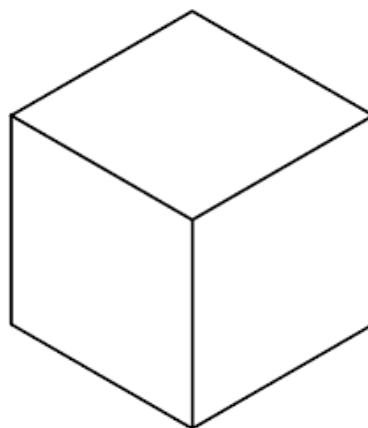

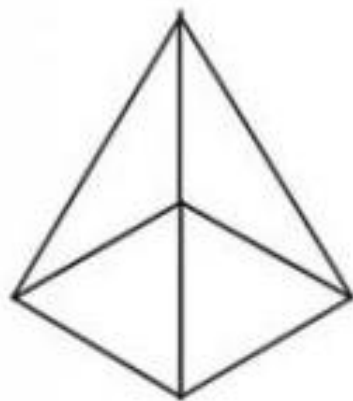

---

---

---

---

What's the same? What's different?

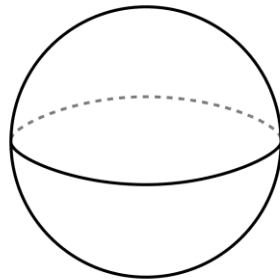

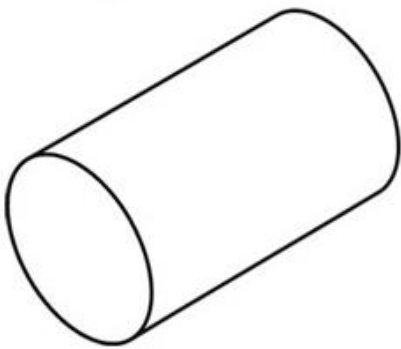

---

---

---

---

What's the same? What's different?

---

---

---

---

Now choose 2 3D shapes of your own to compare. Try to draw the 3D shapes first.
