find wilbur.

suddenly winnie had an idea
to help find wilbur. She waved her
wand 5 times and shouted

ABRACADABRA! Suddenly

the trees start talking. Then
winnie asked them a question

"Hello trees please can you help
me find my black cat called
wilbur" one of them said "of
course we can" "we will get our
friends to lit up the woods".

winnie said "but how are
your friends" "these bugs on
air trunks" "Hello we are

glow worms we will help"

and Then the glow worms
lit up the woods, when

winnie looked in front of
her she saw wilbur and
hugged him so hard winnie
kissed it was a rock,

she was sad but then
winnie saw wilbur running
up to her and they had
a nice hug but they don't
want to play hide and seek
they want to play tag with
