

Weekly Plan for Year 2
Week beginning 1st June 2020

Monday	Tuesday	Wednesday	Thursday	Friday
INSET DAY	Daily: Throw Tennis See the 'Home PE Card' for ideas. Reading: Reading Eggs https://readingeggs.co.uk/ Log in using your password details and continue from your own level.	Daily: YouTube 9am PE with Joe Reading: Reading Eggs https://readingeggs.co.uk/ Log in using your password details and continue from your own level.	Daily: Avoid The Defenders See the 'Home PE Card' for ideas. Reading: Mini comprehension - Read 'All About Africa' and answer the questions (this can be done verbally).	Daily: YouTube 9am PE with Joe Reading: Reading Eggs https://readingeggs.co.uk/ Log in using your password details and continue from your own level.
When writing this week please remember to use the features you have learnt in Year 2, (these are usually listed on the whiteboard in your classroom): Capital letters, full stop, adjectives, conjunctions, contractions, commas in lists, question marks, exclamation marks, adverbs, similes and possessive apostrophes.				
English Focus: The Messy Magpie. Read The Messy Magpie eBook. What does Morris the magpie learn? How does he get rid of all the rubbish he has collected? How much do you know about how important it is to recycle and reuse? Learn more by watching https://www.youtube.com/watch?v=7UuUeoyYmxI Today we would like you to create a poster to encourage recycling. You could include information about what can be recycled, how and where to recycle or the benefits of recycling. Look at the recycling poster ideas sheet if you need some inspiration. Remember to make your poster eye catching so people notice it.	English Focus: The Messy Magpie. Read The Messy Magpie eBook. What does Morris the magpie learn? How does he get rid of all the rubbish he has collected? How much do you know about how important it is to recycle and reuse? Learn more by watching https://www.youtube.com/watch?v=7UuUeoyYmxI Today we would like you to create a poster to encourage recycling. You could include information about what can be recycled, how and where to recycle or the benefits of recycling. Look at the recycling poster ideas sheet if you need some inspiration. Remember to make your poster eye catching so people notice it.	English Focus: Explanation text. Look through the all about recycling PowerPoint. Read through the slides carefully to find out more about recycling. Today you are going to write an explanation text using the information you found out. Remember explanation texts are written in the present tense and need a title followed by a brief introduction explaining what the text is about. It also needs sub-headings which are often questions. For example you might title your work All about recycling then use sub-headings such as - What does recycling mean? Why do we recycle? What can be recycled? What does the recycling sign look like?	English Focus: Adding the suffix ed. Today you are going to recap adding the suffix ed. Can you remember what a suffix is? Watch https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zwqbcwx Can you remember all the rules for adding ed to a root word? Have a go at writing down the four rules before reminding yourself by watching https://www.youtube.com/watch?v=ibq_bWQDluQ Did you remember all the rules? Now it's time to practise those skills. Complete one of the adding the suffix ed worksheets, you may be able to complete more than one	English Focus: Reading comprehension. Read 'The Messy Magpie' carefully. Complete one of the question sheets remembering to answer each question as a full sentence and to number each question in the margin. Try to choose a sheet that challenges you.

		When you have finished writing you can include drawings and diagrams to make your explanations clearer.	if you are feeling super smart!	
Challenge: Can you complete 3 sessions of online RMeasimaths this week? Remember that you need your Username and Password.				
	Maths: Learning Objective: To recognise the place value of any digit in a 2-digit number (tens, ones) and 3-digit number (hundreds, tens, ones) Recap your previous learning by watching: https://www.youtube.com/watch?v=9d4oj4SEJbg Choose a worksheet from the folder. Write the value of the underlined digits e.g. <u>6</u>5 = 60 14<u>9</u> = 9 <u>2</u>37 = 200	Maths: Learning Objective: To recognise the place value of any digit in a 2-digit number (tens, ones) and 3-digit number (hundreds, tens, ones) Play Place Value Charts - Choose your own level; Read the number in either digits or words then make that number by selecting the correct hundreds, tens and ones cards: https://www.topmarks.co.uk/place-value/place-value-charts Choose a worksheet from the folder and use the code to work out what each shape is worth. Challenge: Complete the cross word by reading and answering the clues	Maths: Learning Objective: To recognise and continue number sequences. Recap your previous learning by watching: https://www.youtube.com/watch?v=YsUPKIS1vLw Remember to find the rule to help you continue the sequences. Choose a worksheet from the folder and complete the number sequences. Challenge: Complete the Number Sequence Challenge in the folder then write your own number sequences and their rules.	Maths: Learning Objective: To recognise and continue number sequences. Play the Number Sequences Game - Find the correct number in a sequence. Choose your own level; count forwards or back in whole numbers, multiples of 10 or multiples of 100: https://mathsframe.co.uk/en/resources/resource/42/sequences Choose a worksheet from the folder. Read each sequence, write the rule and complete each sequence.
	Geography: Kenyan Quiz This is your final lesson about Kenya so today you have a quiz! Use the website below to answer 16 questions about Kenya. https://www.3dgeography.co.uk/facts-about-kenya The questions can be found in the folder.	Art: Draw/Paint a Magpie Today you have a choice of either art or DT. You can draw a detailed magpie picture or you can reuse your rubbish to create a junk model of one of the animals in The Messy Magpie book. You could use cardboard tubes, empty packets, newspapers, yogurt pots, plastic bottles - anything you would usually recycle.	Science: Make a Fact file about Magpies Use these websites to find out about magpies: https://www.rspb.org.uk/birds-and-wildlife/wildlife-guides/bird-a-z/magpie/ http://www.garden-birds.co.uk/birds/magpie.html	Golden Time! Time to play...

<https://wiki.kidzsearch.com/wiki/Magpie>

https://www.softschools.com/facts/animals/magpie_facts/2659/

<https://tweez.com/bird/Magpie>

Now create an animal fact file using the information you found out. You may wish to do this on plain paper or you can use the template provided.

Remember to include a main heading at the top of your page - 'All About Magpies'
