

Weekly Plan for Year 1

Week beginning 22nd June 2020

Monday	Tuesday	Wednesday	Thursday	Friday
Daily: YouTube 9am Brain Break The Crocodile Song (Link below) Phonics: Use the key to identify: air, ear, are (worksheet attached)	Daily: YouTube 9am Brain Break Swimming School (Link below) Phonics: Sort: air, ear, are Write sentences (worksheet attached)	Daily: YouTube 9am Brain Break Chilli Chilli (Link below) Phonics: Using and reading 'air' (worksheet attached)	Daily: YouTube 9am Brain Break Tooty Ta (Link below) Phonics: Reading for Meaning – use the correct trigraph to complete the sentence. (worksheet attached)	Daily: YouTube 9am Brain Break The Moose Song (Link below) Phonics: Read and spot the trigraphs: air, ear, are. (worksheet attached)
English Focus: To use adjectives to describe a character. Watch Room on the Broom being read aloud. (link below) Task: Draw a picture of the witch from Room on the Broom. Write words that describe her character. (template attached) Extension activity: Design your own broomstick	English Focus: To write a character description using simple sentences. Watch Room on the Broom animation. (link below) Task: Using the work, you did yesterday. Write a character profile generating sentences about the Witch. (lined paper attached) Challenge: Watch BBC video Use a simile to describe the witch. E.g: Her hands are as bony as a skeleton. Her skin is as thick as leather. (link below)	English Focus: To design a magic potion. Think about the witch. How did the witch make a potion? What went into the potion? Why did she cast a spell? Task: Using one of the worksheets invent your own Magic Potion and spell. Think about what the spell is for? What things will go into your potion? E.g: A spoonful of kindness. A bucketful of frogs legs. A pinch of snail slime. (template attached)	English Focus: To predict what happened next. Think about the story ending. There is a happy ending because the witch is saved BUT is that actually the end of the story? Predict what might happen next? Did the witch take all the animals home? Did they meet another animal? Is there more room on the broom? Use adjectives, conjunctions and exclamation marks. (lined paper attached)	English Focus: To read and answer questions. Watch/ listen or read the story again. Task: Choose one of the comprehension worksheets to complete.

Maths: Learning Objective: To add different capacities. Warm up- BBC Super movers Capacity & Volume (link below) Watch BBC Video- Units of measurement for everyday objects. (link below) Recap the measurement of capacity. What can we use to measure capacity? How we can find out how much liquid a bottle with a capacity of 10ml and a pot with a capacity of 5ml can hold altogether. – By adding them together. Task – Choose one of the Adding capacities worksheets. (attached)	Maths: Learning Objective: To add different weights. Warm up- Measurement song (Link below) Recap the measurement of weight. What can we use to measure weight? How we can find out what an apple weighing 5g and a banana weighing 15g weigh together? Watch BBC Video- Ted and Ned do Maths. (link below) Task – Choose one of the adding weights worksheets. (attached) Challenge: Play the ICT game on using scales to weigh. (link below)	Maths: Learning Objective: To solve a word problem. Warm up – Counting in 5's song (Link below) Task - Complete 1 or more of the worksheets by solving the word problem s.(attached) E.G: There are 4 flavours of ice cream – vanilla, strawberry, chocolate and mint. How many different 2 scoop ice creams can you buy?	Maths: Learning Objective: To solve missing number word problems. Warm up - BBC Video - Odd and even numbers (Link below) Watch the video - solving word problems Year 1. (Link below) Task - Solve the word problems on one or more of the worksheets. (attached)	Maths: Learning Objective: To weigh ingredients.
