"Learning Together and Celebrating Success"

Progression of Knowledge and Skills in PE

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. At Chalfont St Peter Infant School we use a comprehensive, curriculum-aligned and progressive scheme of work called Get Set 4 PE to provide opportunities for pupils to become physically confident in a way which supports their health and fitness. We build in opportunities for children to compete in sport and other activities to build character and help embed values such as fairness and respect. Get Set 4 PE aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives

Reception Pupils should be taught:

ELG Physical development - Gross Motor Skills

Negotiate space and obstacles safely, with consideration for themselves and others.

Demonstrate strength, balance and coordination when playing.

Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

National Curriculum Key Stage 1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending
- perform dances using simple movement patterns.

Chalfont St Peter's Progression of PE Skills

Skills	Year R	Year 1	Year 2
Athletics 	Skills: Running: Explore running and stopping safely. Jumping: Explore jumping and hopping safely. Throwing: Explore throwing to a target. Knowledge: Running: Know that I use big steps to run and small steps to stop. Know that moving into space away from others helps to keep me safe. Jumping: Know that bending my knees will help me to land safely. Throwing: Understand that bigger targets are easier to hit. Rules: Know that rules help us to stay safe.	Skills: Running: Explore running at different speeds. Jumping: Develop balance whilst jumping and landing. Explore hopping, jumping and leaping for distance. Strategy: Know that if I practice my dance, my performance will improve.
Fitness 	Skills: Agility: explore changing direction safely. Balance: explore balancing whilst stationary and on the move. Co-ordination: explore moving different body parts together. Speed: explore moving and stopping with control. Strength: explore taking weight on different body parts. Stamina: explore moving for extended periods of time. Knowledge: Agility: Know that moving into space away from others helps to keep me safe. Balance: Know that I can hold my arms out to help me to balance. Co-ordination: Know that moving my arms and legs at the same time helps me to walk, run and jump. Speed: Know that I use big steps to run and small steps to stop. Strength: understand that I can hold my weight on different parts of my body. Stamina: Understand that moving for a long time can make me feel tired	Skills: Agility: Change direction whilst running. Balance: Explore balancing in more challenging activities with some success. Co-ordination: Explore co-ordination when using equipment. Speed: Explore running at different speeds. Strength: Explore exercises using my own body weight. Stamina: Explore moving for longer periods of time and identify how it makes me feel Knowledge: Agility: Understand that bending my knees will help me to change direction. Balance: Know that looking ahead will help me to balance. Co-ordination: Know that using the opposite arm to leg at the same time helps me to perform skills such as running and throwing. Speed: Understand that if I swing my arms, it will help me to run faster. Strength: understand that exercise helps me to become stronger. Stamina: Understand that when I move for a long time it can make me feel hot and I breathe faster	Skills: Agility: Demonstrate improved technique when changing direction on the move. Balance: Demonstrate increased balance whilst travelling along and over equipment. Co-ordination: Perform actions with increased control when co-ordinating my body with and without equipment. Speed: Demonstrate running at different speeds. Strength: Demonstrate increased control in body weight exercises. Stamina: Show an ability to work for longer periods of time. Knowledge: Agility: Know using small quick steps helps me to change direction. Balance: Understand that I can squeeze my muscles to help me to balance. Co-ordination: Understand that some skills require me to move body parts at different times such as skipping.

			Speed: Know that I take shorter steps to jog and bigger steps to run. Strength: Know that strength helps us with everyday tasks such as carrying our school bag. Stamina: Know that I need to run slower if running for a long period of time.
Fundamentals 	Skills: Running: Explore running and stopping. Explore changing direction safely. Balancing: Explore balancing whilst stationary and on the move. Jumping: Begin to explore take-off and landing safely. Hopping: Explore hopping on both feet. Skipping: Explore skipping as a travelling action. Knowledge: Running: Know that I use big steps to run and small steps to stop. Know that moving into space away from others helps to keep me safe. Balancing: Know that I can hold my arms out to help me to balance. Jumping: know that bending my knees will help me to land safely. Hopping: Understand that I use one foot to hop. Skipping: Know that if I hop then step that will help me to skip.	Skills: Running: Explore changing direction and dodging. Discover how the body moves at different speeds. Balancing: Move with some control and balance. Explore stability and landing safely. Jumping: Demonstrate control in take-off and landing when jumping. Hopping: Begin to explore hopping in different directions. Skipping: Show co-ordination when turning a rope. Use rhythm to jump continuously in a French rope. Knowledge: Running: Understand that bending my knees will help me to change direction. Understand that if I swing my arms, it will help me to run faster. Balancing: Know that looking ahead will help me to balance. Know that landing on my feet helps me to balance. Jumping: Know that landing on the balls of my feet helps me to land with control. Hopping: know that I should hop with a soft bent knee. Skipping: Know that I should use the opposite arm to leg when I skip. Know that jumping on the balls of my feet helps me to keep a consistent rhythm.	Skills: Running: Demonstrate balance when changing direction. Clearly show different speeds when running. Balancing: Demonstrate balance when performing movements. Jumping: Demonstrate jumping for distance, height and in different directions. Hopping: Demonstrate hopping for distance, height and in different directions. Skipping: Explore single and double bounce when jumping in a rope. Knowledge: Running: Know that putting weight into the front of my feet helps me to stop in a balanced position. Know that running on the balls of my feet, taking big steps and having elbows bent will help me to run faster. Balancing: Understand that squeezing my muscles helps me to balance. Jumping: Know that swinging my arms forwards will help me to jump further.

			Hopping: Know that if I look straight ahead it will stop me falling over when I land. Skipping: Know that I should swing opposite arm to leg to help me balance when skipping without a rope.
