'Learning Together and Celebrating Success'

PARENTS' PARKING PROMISE

Considerate parking is best for everyone!

The area around our school is busy in the morning and at the end of the school day. Parents who park irresponsibly place children in danger as well as risking damage to their cars (from pushchairs, other cars or larger vehicles) and upsetting the residents who live close to the school. Careless parking may cause accidents and prevent emergency and delivery vehicles gaining access to residents and the school, resulting in extreme inconvenience.

The 'School Keep Clear' ZigZag lines and the tactile paving should be free from parked cars **at all times**. This allows children and parents walking in and out of school to cross safely, where they can see and be seen by approaching traffic.

All parents should abide by our voluntary one-way system, turning left into Grove Hill from Lovel Road and exiting by way of Lovel End and Boundary Road. Cutting speed along these roads by 5-10mph at all times costs barely a few seconds in time but can prevent accidents. ***Injuries caused at lower speeds are much less likely to be as serious as those at higher speeds.***

Using the car less would help reduce the congestion and danger.

Many children are driven to school when they could easily walk part or all of the way. Walking has various benefits:

- * Helps keep children fit and healthy
- * Develops traffic awareness skills
- * Keeps the environment cleaner
- * Reduces traffic outside school at starting and finishing times

Please help us by completing the tear off slip below to show your commitment to the Parents' Parking Promise. Hopefully your example will encourage other parents to do the same.

- I will protect the safety of children at the school by being a thoughtful driver
- I will try to use my car as little as possible for school journeys
- I will use the one way system around Grove Hill and Lovel Road
- I will not park on the left hand side of Grove Hill
- I will not park in the cul-de-sac part of Lovel End to the left of the school
- I will not park on the corner of Grove Hill next to the bollards
- I will avoid parking next to the tactile paving
- I will avoid parking on the pavement in Lovel End
- I will not park so that I am blocking residents' cars and driveways
- I will not park on zigzag areas outside the school entrances, nor on double yellow lines

Thank you for signing the Parents' Parking Promise and supporting us in promoting a safer school environment
