

‘Learning Together and Celebrating Success’

Statement of Behaviour Principles

Aims and Objectives

It is our primary aim that every member of our school community feels valued and respected, and everybody is consistently treated fairly and well. We are a caring community whose values are built on mutual trust and respect for all. Our School's Behaviour policy is therefore designed to support the way in which all members of our school can live and work together in a supportive way. It aims to promote an environment in which everyone feels happy, safe and secure.

Our school has a number of rules, but our Behaviour policy is not primarily concerned with rule enforcement. It is a means of promoting good relationships so that people can work together with the common purpose of helping everyone to learn. Our policy supports the school community in aiming to allow everyone to work together in an effective and considerate way.

This policy aims to help children grow in a positive environment and to become responsible and increasingly independent members of the school community.

The school rewards good behaviour, as it believes that this will develop an ethos of kindness and cooperation. This policy is designed to promote good behaviour, rather than merely deter anti-social behaviour.
