

Weekly Plan for Year 1
Week beginning 18th January 2021

Monday	Tuesday	Wednesday	Thursday	Friday
Daily: YouTube 9am Cosmic Kids Yoga Dinosaurs (Link below) Phonics Focus: Alternative sound for 'c' Watch the PowerPoint. (attached) Cut and stick the pictures on the sorting worksheet. Say the words and listen for the hard and soft sound of 'c' (attached)	Daily: YouTube 9am Cosmic Kids Yoga Sonic the Hedgehog (Link below) Phonics Focus: Alternative sound for 'g' Watch the PowerPoint. (attached) Cut and stick the pictures on the sorting worksheet. Say the words and listen for the hard and soft sound of 'g' (attached)	Daily: YouTube 9am Cosmic Kids Yoga Trolls (Link below) Phonics Focus: Alternative sound for 'c' and 'g' Watch the PowerPoint. (attached) Read the words and write them in the correct columns. Say the words out loud and listen for the hard and soft sound of 'c' and 'g'. (attached)	Daily: YouTube 9am Cosmic Kids Yoga Squish the Fish (Link below) Phonics Focus: 'ow' and 'ou' Watch the PowerPoint. (attached) Look at the pictures and write the words. What digraph will you choose? (attached)	Daily: YouTube 9am Cosmic Kids Yoga Popcorn and the Pirates (Link below) Phonics Focus: 'ow' and 'ou' Watch the PowerPoint. (attached) Phoneme Spotters (attached) Read each story and spot the 'ow' or 'ou' by underlining the digraphs.
English Focus: Learning Objective: To write sentences . Watch the story of 'Little Red Riding Hood' (Link attached) Watch the PowerPoint for 'Writing Sentences'. (attached)	English Focus: Learning Objective: To write a character description. . Watch the story again on Twinkl Go. Code on Powerpoint. Watch the Powerpoint (attached) Complete the sorting sheet then write a character description	English Focus: Learning Objective: To write a speech bubble. . Watch the Powerpoint (attached) Using the speech bubble templates, (attached) write four speech bubbles for all the characters.	English Focus: Learning Objective: To read and answer questions. . Watch the Powerpoint (attached) Using the Reading Comprehension stories, (attached) choose an appropriate story to read.	RE Focus: To understand the importance of being helpful. . Watch the story of 'The Little Red Hen' (Link attached) Using the writing template, (attached) identify a time when you have been helpful. Why should we always try to be helpful?

Using the pictures (attached) write sentences using the sentence rules. Challenge: Use adjectives and conjunctions.	choosing either Little Red Riding Hood or the Wolf.		Answer the questions using full sentences where possible.	
Maths: LO: To name 2D shapes and know their properties. Warm up: Watch the BBC bitesize clip to recap on 2D shapes. (link below) Revise 2D shapes. Watch the PowerPoint lesson. Can you remember the properties of 2D shapes? (Sides and corners). How many sides/corners does a square have etc. Task: Choose one of the sheets. 1 star, 2 star, or 3 star. Complete the table by filling in the shape properties. Extension – Play the shape game. Further learning Why don't you try some of the 2D shape quizzes on BBC bitesize. (link below)	Maths: LO: To continue a repeating pattern of 2D shapes. Warm up: Watch the BBC video on how to make 2D shapes. (link below) Watch the repeating pattern PowerPoint. Can you continue the pattern? How do you know what will come next? Task: Complete the shape pattern worksheet 1. Move on to worksheet 2 when finished. Extension –Create your own shape patterns. Further learning Watch the BBC video clip all about 2D shapes. (link below) AND / OR Why don't you try the online 2D shape game. (link below)	Maths: LO: To name 3D shapes and know their properties. Warm up: Watch the video to recap the difference between 2D and 3D shapes. (link below) Revise 3D shapes. Watch the 3D shape PowerPoint. Can you name the 3D shapes? Task: Complete one of the worksheets either the 1 star or the 2 star worksheet. Extension –3D shape repeating patterns Further Learning Why don't you try to draw 3D shapes? Use the video to help you (link below)	Maths: LO: To recognise and know the properties of 3D shapes. Warm up: Watch the you tube song to recap 3D shapes. (link below) Watch the 3D shape PowerPoint. Try and find some items at home to help you with looking at the properties of the shapes. Look at the faces of 3D shapes. What shapes can you see? What do you notice about them? Which have straight/curved sides? How many faces, edges or corners do they have? Task Choose one of the sheets. 1 star, 2 star.	Maths: LO: To be able to rotate 2D and 3D shapes. Watch the 3D shape PowerPoint. Look at how the 2D and 3D shapes can be rotated but their properties have not changed. Task Either use the sheet provided or draw your own shapes to create a picture by rotating the 2D and 3D shapes. Extension Task: Count and name all the shapes you have used. Can you count how many vertices or corners there are in total?

			Complete the table by filling in the shape properties. Extension – Choose one of the sheets. 1 star, 2 star or 3 star. Complete by colouring the picture according to the properties table.	
Science: L.O. To know why plants are important to humans. To label the parts of a plant and a tree. Watch the BBC video (link below) Watch the PowerPoint Lesson. Task: Use the worksheet or draw your own plant and tree to label. (Roots, Branch, Leaf, Trunk, Stem and Petal.) Further learning Why don't you try the BBC quiz attached to the video link.	Science: L.O. To know why plants are important to humans, that plants will grow from seeds in favourable conditions and to identify some edible plants. Watch the BBC video (link below) Watch the PowerPoint Lesson. Task: Use the worksheet or draw you own plant and tree to label. (Roots, Branch, Leaf, Trunk, Stem and Petal.) Further learning: Use the you tube video to learn how to draw a daisy. Why don't you look at some of the other videos on how to draw different plants.	Science: L.O: To name some common garden flowers. To know the importance of bees. Watch the BBC video (link below) Watch the PowerPoint lesson. Task: Use the template or your own piece of paper to write about why bees are important. Draw a picture. Don't forget to use the correct colours. Further learning: Use the you tube video to learn how to draw a realistic bee.	PSHE: L.O: To talk about and identify ways in which I can help my community. Watch the BBC video (link below) to recap what a community is. Watch the PowerPoint. Task: Cut out and stick the sentences in the correct places. OR Draw your own pictures to represent the sentences. Further learning: Watch the Sesame street video about Heroes in our community. OR Due to the lockdown it's hard to keep in contact with our	Golden Time! Time to play... Look for the 'Just for Fun' worksheets...

			neighbours BUT there is something you could do. Think of something that you can do for your neighbour? Could you write them a letter or make a card? Send them a video of you singing or reading a story to cheer them up? You could even arrange a Zoom call?
