LO: To know doubles and understand the concept.

Can you double these numbers?

$12 + 12 =$

$20 + 20 =$

$18 + 18 =$

$14 + 14 =$

$19 + 19 =$

$9 + 9 =$

$16 + 16 =$

$21 + 21 =$

$30 + 30 =$

Write the number sentence						
Double 22 =	Making Doubles  Tick the sentences that match the picture. ☐ $12 + 12$ ☐ $6 + 6$ ☐ It is double 6. ☐ Double it to make 12.  <tr> <td>Double 20 =</td> </tr> <tr> <td>Double 15 =</td> </tr> <tr> <td>Double 25 =</td> </tr> <tr> <td>Double 12 =</td> </tr> <tr> <td>Double 18 =</td> </tr>	Double 20 =	Double 15 =	Double 25 =	Double 12 =	Double 18 =
Double 20 =						
Double 15 =						
Double 25 =						
Double 12 =						
Double 18 =						

Finish the doubles.

$1 \rightarrow 2$
 $2 \rightarrow$
 $3 \rightarrow$
 $4 \rightarrow$
 $5 \rightarrow$

What is the pattern?

How many more can you find?
