

We're going on a baby hunt

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! A donkey,
A soft grey donkey!
We can't go over it, we can't go under it,
Oh yes! We'll have to get on it!
Clippety clop, clippety clop, clippety clop

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! An angel,
A sparkly, holy angel!
We can't go over it, we can't go under it,
Oh yes! We'll have to go and listen!
Baby Jesus, Baby Jesus, Baby Jesus

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! A shepherd,
A scared silent shepherd!
We can't go over it, we can't go under it,
Oh yes! We'll have to journey with them!
Baa, baa, baa, baa, baa, baa

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! A star,
A bright, glittering star!
We can't go over it, we can't go under it,
Oh yes! We'll have to go follow it!
Twinkle shine, twinkle shine, twinkle shine

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! 3 wise men,
3 royal noble wise men!
We can't go over it, we can't go under it,
Oh yes! We'll have to ride with them!
Bumpty bump, bumpty bump, bumpty bump

We're going on a baby hunt,
We're going to find a special one,
What a beautiful night
We're feeling blessed.

Look there! A stable,
A dark, lowly stable!
We can't go over it, we can't go under it,
Oh yes! We'll have to go in it!
Tip toe, tip toe, tip toe shhhhh!

Who's that?
One small manger
Two bails of straw
One special baby
IT'S JESUS!
YAY!!!
