Literacy: Learning Objective: To talk about ideas Starter: Listen to the story Beegu https://www.youtube.com/watch?v=2OF-SXLvV20 Activity: Talk about how Beegu felt in the book. How did he feel when he was with the puppies? How did the adults treat him? How did he feel with the children? Talk about how you could be a good friend to Beegu.	Literacy: Learning Objective: To create a recipe Starter: Listen to the story Beegu https://www.youtube.com/watch?v=2OF-SXLvV20 Activity: Today we are going to create a recipe for friendship. Think about what you need to be a good friend. How much would you add to the recipe. Draw or write your ideas on the Friendship Recipe sheet. Here is an example: A spoonful of hugs A scoop of love A pinch of kindness	Maths: Learning Objective: To add numbers Starter: https://www.youtube.com/watch?v=3txltaYkTyE Cowboy Count Activity: Create some number cards between 1 and 10 and turn them upside down. Turn one number over and build a tower using Lego using that number of bricks. Turn over another number and build a second tower. Put the towers together. How many bricks do you have altogether? Extension: Can you write a number sentence to match your sum?	Maths: Learning Objective: To add numbers Starter: https://www.youtube.com/watch?v=3txltaYkTyE Cowboy Count Activity: Complete the add and colour space worksheet. Use Lego pieces to help you work out the answer.	Understanding the World: Potion Laboratory Take a bowl of water out into the garden, find things to add to your potion. Talk about what your potion does if you drink it. Can you write your recipe down? If you can't go outside you could make a potion by using ingredients from the kitchen or you could make a potion out of your toys.
