

Weekly Plan for Year R
Theme: Looking After Me: Healthy Eating and Exercise
Week beginning 14th March 2022

Wednesday	Thursday	Friday
Phonics: Longer Words Link to Lesson	Phonics: Longer Words Link to Lesson	Phonics: Longer Words Link to Lesson
Reading Practise Session Decoding Read your decodable reading book (the one with the white sticker). Practise reading your book and sound out any words that are new. Can you find any digraphs, trigraphs and tricky words?	Reading Practise Session Prosody Using the same book as yesterday, reread your book. This time try and read with expression, use the punctuation to help you.	Reading Practise Session Comprehension Using your book of the week, reread it with expression and fluency. Ask your grown-up to ask you questions about what you have read.
Literacy L.O. To use an adjective to describe a piece of food. Input: Listen to the story 'Eat your greens Goldilocks' Link to Story . Talk about what fruit and vegetables you like to eat. Can you think of any adjectives to describe the fruit and vegetables? Activity: Food Tasting Choose some fruit and vegetables to try. Draw a picture of them. Try the different foods and write an adjective next to the picture to describe them. E.g. juicy, crunchy.	Literacy L.O. To write a poem. Input: Look back at your work from yesterday. Today we are writing a poem. Listen to this one: The juicy apple is green. The sour lemon is yellow. The sweet plum is purple. The crunchy carrot is orange. They are good for me! Activity: Using your adjectives from yesterday write your own version of the poem.	Numeracy L.O: To estimate. Input: Go through the PowerPoint on estimation Activity: Choose one of the worksheets to complete. Estimate the number of fruit first before counting.
